

WELCOME TO THE **LEXIS+**TM EXPERIENCE

Introducing superior legal research, data-driven insights, and practical guidance—working all together now to deliver results.

ANSWER LEGAL QUESTIONS

Resolve issues quickly and confidently via the most simplified search experience.

Experience Legal Research

Search the Largest Collection

Leverage **14%** more federal case law, **8%** more state case law, **28%** more state trial orders, **248%** more briefs and pleadings, **40K+** news sources, **700M+** company profiles and documents, and secondary sources and practical guidance across **20+** practice areas, with insights from over **1,200** practitioners and **99** of the Am Law 100 firms.

**Based on information available as of August 2019.*

Find the Best Authority

Cite the best authority for a point of law with the **trusted first choice** of attorneys and courts—only **Shepard's®**, the most comprehensive editorial analysis, shows both negative treatments and true positive treatments from subsequent citing cases, with more **nuanced analysis** from **experienced attorneys** and updates **every 15 minutes**.

Identify Cases at Risk of Being Overruled

Ensure you are citing the strongest and most accurate authority for a point of law with unprecedented visibility into whether a case is at risk of being overruled or undermined.

Shepard's® At Risk

- Instantly view which points of law within the case have been negatively treated by other decisions in the same jurisdiction.
- Easily assess the impact of the negative treatment and the degree of risk to the case and related points of law.

Review Changes in the Law or Legislative Intent

Code Compare

Stay updated on the law and legislative intent, statutory changes over time, and whether laws are becoming more or less restrictive by quickly comparing any two versions of a statute section side-by-side.

◀ Access complete coverage with current effective, future effective and archival versions dating back to the early 1990s.

▶ Save time with an overview of total changes to the text, or get up to speed on detailed changes to the statutory language.

Get Answers to Your Legal Questions

Lexis Answers®

Resolve legal questions with ease by locating the answers directly within the document where the answer is found.

▶ Simply search any natural language legal question to find the most relevant answer and document.
 ◀ Discover citable authority efficiently, without having to search for and read lengthy documents.

Preview the Best Cases for Your Issue

Find relevant resources faster by reviewing search term patterns and the largest concentration of your terms—across all major content types—within the results list and in each full document.

Search Term Maps

- ▶ Spot key clusters of your search terms to readily navigate to the most relevant passages.

- ▶ Easily identify useful documents and passages without leaving the results list.

Customize Your Search Experience

Leverage first-of-its-kind search data visualization for complete control over your legal research.

Missing & Must Include

- ▶ View which search terms are missing from a document in the results set without opening a single document, and rerun the search with your must-have terms.

Search Tree

- ▶ Understand why certain terms are missing from the results set so you can change your search strategy and select the requisite terms to refresh the results set with those terms.

APPLY LEGAL STRATEGY

Leverage targeted recommendations and data-driven insights from the leading analytics.

Experience Brief Analysis on Lexis+

Find Support for Your Strategy

Review targeted research recommendations and discover similar briefs to use as model documents or for additional language to support your arguments—all based on the citation patterns and legal concepts found in your documents.

Develop the Strongest Arguments

Find relevant case recommendations to support arguments in a brief or memo, see how others have structured similar arguments successfully, and review an opponent's document to find weaknesses and holes.

Finalize Your Legal Research

Start a new brief or analyze a prior brief by finding updated citations with newer or stronger authority, double-check thoroughly researched briefs to verify nothing is missed or overlooked, and validate citations in your documents.

Discover Data-Driven Guidance

Formulate better case strategies and advise on risks and trends with analytics-enhanced practice resources.

- Assess litigation trends, common case outcomes, and damage amounts via custom data analytics and compelling visualizations as you complete legal tasks.

- Accomplish key tasks in federal or state court litigation with real-world data, legal language analytics, and expert insights—all in one view for the first time ever.

Identify Citing Patterns & Trends

Leverage data visualizations to identify citing patterns and trends across time and jurisdictions.

Ravel View

- Find relevant cases faster and determine which cases work together to best support your strategy.
- Review the opinions judges cite most, uncover overlooked cases, and identify key citing relationships.

Evaluate the Potential Impact of a Bill

Forecast which bills are likely to pass and get ahead on the latest legislative and regulatory developments.

Legislative Outlook

- ▼ Determine the probability of passage or failure for each future stage in the legislative process.

- ▲ Anticipate hurdles and develop your strategy with relevant session schedules and partisan information.

Review Judges and Expert Witnesses

Make better strategy decisions with exclusive data-driven insights for expert witnesses and judges.

Judge Cards

- ▲ Review your assigned judge's background, recent and noteworthy cases, frequently cited cases, and more.

Expert Witness Cards

- ▲ Compare experts to determine the best fit for your matter with visibility into prior testimonies and cases.

ACCOMPLISH LEGAL TASKS

Complete work efficiently and effectively with exclusive practice resources and tools.

Experience Practical Guidance on Lexis+

Search More Practice Areas

Develop critical legal know-how to accomplish the most complex tasks, including those outside your primary area of expertise, with **over 20 dedicated and comprehensive practice areas** featuring **4 exclusives** and **5 more** than the closest competitor.

**Based on information available as of April 2020.*

Leverage Leading Insights

Complete your work faster than ever with first-of-its-kind data-driven practical guidance, featuring insights and analytics from Context and more, so you can accomplish tasks and finalize your strategy, all in one.
